## Customer Reviews

The book has explanations/concepts taught for each warm-up. The CD is also useful. I have already used it quite a bit with my beginner choir.

Concise, easy to use, we'll written with musical goals in mind. Highly recommended.Only wish that the rhythmic calisthenics routines were included on the CD.

I absolutely love Rollo Dillworths *Choir Builders*! I even got to do a workshop with him using this book! A must have in the music classroom!

thank you ..excellent item and fast shipping
