# Soldados En Combate (Spanish Edition)

## Synopsis

Son vivencias de los guerreros de la Fuerza Armada en aquellos fieros combates en la guerra de 12 años en El Salvador. Se destaca la parte humana que se vive en la zona de guerra, especial en el combate mismo, donde los sentimientos y pasiones salen a flote cuando se enfrenta al enemigo, donde flaquea el alma y sacude el cuerpo, porque los pasos de la muerte se sienta demasiado cerca. Todos estos relatos se hicieron a través de entrevistas provenientes de los propios combatientes, que hacen posible la construcción de tan importantes hechos para el libro. La mayoría de los relatos son de guerreros de infantería, también el de algunos pilotos que se destacaron en aquellos pájaros de hierro apoyando a sus camaradas en tierra. No podían faltar los relatos de personal civil que tuvieron la mala suerte de vivir en aquellas zonas de guerra y que algunos combates se dieron en el patio de sus casas, además como soportaron las inclemencias de la guerra sin ser parte de ningún bando.

## Customer Reviews

I purchased as a gift to my husband. He lived through the war and he really enjoyed the book, kept all accounts very true to life events.

I liked because it's explicit in everything. It's other way to fight without the opposition, writing about true historia.
