Customer Reviews

This El Croquis/Frank Gehry monograph is extremely well documented and extremely informative, something very evident in its size as well!... Drawings, together with photos of realized work, models, and sketches document in a really fresh way the work of Ghery and Partners. I really enjoyed the B. Colomina interview...clearly demonstrating Gehry's intuitive and uncannily intellectual approach to his unique work! Really fascinated with this edition! Gehry's "liquified trouble"-talent at its best...A master-builder at work...on your bookshelf!Spyridon G. Kaprinis _ 29.10.2008

terrific
