## Synopsis

From the creator of *The Very Hungry Caterpillar* comes a brilliant new Eric Carle board book for the artist in us all. Every child has an artist inside them, and this vibrant picture book from Eric Carle will help let it out. The artist in this book paints the world as he sees it, just like a child. There's a red crocodile, an orange elephant, a purple fox and a polka-dotted donkey. More than anything, there's imagination. Filled with some of the most magnificently colorful animals of Eric Carle's career, this new board book edition is a tribute to the creative life and celebrates the power of art. Perfect for fans of *La Oruga Muy Hambrienta*, or for any emerging readers of Spanish. ## Customer Reviews

The illustrations are exceptional. And the book provides a wonderful opportunity to teach children that it's okay to imagine and see the world and the things in it different ways, to color outside the lines, to experiment with color in ways that make you happy, and to simply have fun.

This book is simple and beautiful and perfect for our bilingual toddler who is just learning animals

and colors in both languages. Now, if I could only pronounce 'anaranjado' like my Chilean husband when reading it, we'd be perfect :)

I love Eric Carle books and I am always happy to find Spanish versions of the books to help my 2 year old grandson build his Spanish vocabulary. The colorful pictures are interesting to look at too.

Not a very interesting book but it does teach some names of colors and animals so it is serving its purpose to reinforce Spanish with our daughter.

Le compre este libro a mi esposa pues ella da clase de español a los Pre-K y es muy bueno para la enseñanza.

Great book. Beautiful edition. My baby loves to see those colorful animals over and over.
