Customer Reviews

Even though this is not a new book I just had to let you know that this book had a profound impact on my trial advocacy abilities and should be considered must reading for a complete trial education. Everything you have been taught in other books is proven to be self-defeating in this book and you will go to trial with confidence and try the case to win from the very first minute. Please do yourself a favor if you are a trial lawyer and buy this book and read it a dozen times.

Herbert J. Stern, a former federal prosecutor and judge, explains the techniques of winning trial advocacy. The book is a page-turner--exciting as well as instructive. This is a "must read" for every trial lawyer
