Mortimer Spanish Edition (Munsch For Kids)

Synopsis

With over half a million copies in print, Mortimer is one of Robert Munsch's most popular and beloved books. Mortimer is the story of a little boy who won't go to sleep at night and who drives his family crazy with his rowdiness ... [It] reads as though it was written by a parent driven frantic by one of the contemporary but compulsive stages of childrearing ... [It is] of tremendous appeal to kids and parents at the same stage. •Globe and Mail

Age Range: 4 - 7 years

Grade Level: Preschool and up

Customer Reviews

Mortimer is about a boy that is not going to stop singing. It the like songs in this book. It is funny and a good book. My favorite part is when the brothers and sisters and the mom and dad have a fight.

Ditto to all the other reviewers who have praised this book! What a great way to foster a love of reading into our young kids! I also read it to my kindergarten class and have them participate in the thump-thump-thump as characters climb and descend the stairs, and of course sing Mortimer's noisy song. :-) Easily one of the best stories for kids ever!
