## **Customer Reviews**

This author takes the selective use of references to a whole new level. Very subjective view of history with personal opinions bordering on bigotry. Not worthy of any serious research on the subject of Ancient Iraq.

This is a wonderful and well researched Native Chaldean history book. The native Chaldean people of Mesopotamia Iraq. I enjoyed reading all the chapters. It is well organized with accurate references and researched material. Chaldeans are the surviving native people of Iraq and Syria since 5,300 BC. While reading it, I felt the history of the Chaldean people, their wonderful contribution to the world through science, engineering, freedom of people, poetry and art. So beautiful, I started reading some chapters several times. Thank you for publishing such a wonderful

book to the world!

I recommend this book, it is about the true identity of the indigenous people of Iraq Chaldeans Mesopotamians and the majority of Iraqi Christians.
