# The Norton Anthology Of Drama (Shorter Edition)

## Synopsis

The only one-volume drama anthology that's a Norton. The most comprehensive collection of its kind, The Norton Anthology of Drama, Shorter Edition, offers plays unavailable in any other drama anthology, with the careful preparation and scrupulous editing you expect from a Norton—all at a lower price than other one-volume drama anthologies. With a total of thirty-three plays, The Norton Anthology of Drama, Shorter Edition, includes two major plays and one translation exclusive to Norton, detailed introductory material to place the plays in context, and annotations that explain, but never interpret, the text. The student website augments the printed text with critical, theoretical, and historical information. Not just less expensive than other one-volume anthologies, The Norton Anthology of Drama, Shorter Edition, is the best value as well—a book that students will keep long after the class is over.

## Customer Reviews

This is a great anthology! It has a wide variety of authors and a great selection of plays. The footnotes are very helpful (especially when reading Shakespeare). There also introductions to each author to help you get a better grasp. If you read alot of plays you probably want to get the full anthology but this is perfect for anyone who just wants a good collection of plays!

This book was indeed the shorter edition, but it included all necessary plays in a very comprehensible fashion. It also is a very cost-efficient compact book. Strongly recommend.

Lots of plays and playwright information contained in one book. Pages are like bible-thin however. Paperback gets torn up...like most.

I bought used and it was not in very good condition. Otherwise, this book is used all the time in my theatre history classes and it is very informative. I just wish I bought new

Just got this book for a drama class. That goodness for spark notes that helped me understand what was going on but I was lost.

It wasn't the best book on earth, but I had to have this as a textbook for Theatre Class and it was just play after play.

This book had every thing you need from really great shown books and plays and scripts to the greatest. Worth the money.

It had a little wear and tear but other than that the book is in good condition. Thank you very much.
