Judging The Jury

Synopsis

In this work, Hans and Vidmar review the historical evolution of the trial jury, the contemporary role of the jury in the American criminal justice system, and future prospects for the jury as an institutional force.

Customer Reviews

Outstanding reading for those with an interest in the way a real life jury operates. A great historical review of the American Jury system and where it might be in the future. Very easy reading and would make an excellent reference and/or textbook.

Gave this book as a gift, my sister heard the author speak and had been looking for the book. She loved the book as well as the speaker.
