Customer Reviews

There was no picture of this book so I ordered the wrong book. My kid needed the work done right away so we were forced to keep it. This book is part one of a group but I could have bought both parts in one book and I ended up having doing that so I ended up spending a lot more than I had to. If I had seen a picture of the book, i would have known. They were two very distinct colors. It was a total bummer.
