In bed with every Mafia mobster is his wife or his goomada, and even both of them on occasion. Sometimes the Mafia mobster's sex partner is in business with him; even if it means her breaking a few laws along the way. "Mafia Molls - Beautiful Broads with Brass Balls â€” Volume 2" features Mafia molls, Andrea Giovino and Lynda Milito. Both were women who helped run their husbands' criminal enterprises in New York City. Their stories are similar, yet quite different. Andrea Giovino reveled in her Mafia life. She loved hanging out in the company of Mafia men like John Gotti. Andrea enjoyed the rush that comes with being in "The Life" that she resorted to running her husband John Fogarty's shylocking business while he was in the can facing a life sentence for murder. Lynda Milito fell in love with a hairdresser named Louie Milito. She didn't know her lover was neck deep in the Mafia and was one of its most proficient killers until it was too late. Caught in the vice between passion and crime, Lynda helped Louie run a stolen car ring. She sank so low as to serve as a lookout while her husband went on a mad rampage for short money, stealing coins out of every pay phone he could get his hands on. And then things got worse for Lynda Milito and much bloodier. What People are saying about Joe Bruno's books. GREAT AUTHOR!! Customer Reviews

I appreciate that the author gave good value for the money, but by the end of the second story, I'd had enough. The third story was fairly short, but then he added a bonus about Danny Greene and Cleveland. Since I live nearby, I thought I should read it. I didn't read the preview of the Whitey Bulger book.

Joe Bruno is my favorite writer when it deals with the underworld! In my opinion no one does it better.

But did not capture me. I actually forgot I was reading it a few times. The fact that is true facts makes it interesting.

excellent read, makes you want more stories about the mob
