# Honor And Betrayal: The Untold Story Of The Navy SEALs Who Captured The "Butcher Of Fallujah" - And The Shameful Ordeal They Later Endured

## Synopsis

From the coauthor of the #1 New York Times bestseller *Lone Survivor* comes the riveting behind-the-scenes story of the three Navy SEALs who captured the "Butcher of Fallujah" and, having been charged with prisoner abuse, their long road to justice. On a daring nighttime raid in September 2009, a team of Navy SEALs grabbed the notorious terrorist Ahmed Hashim Abed, the villainous "Butcher of Fallujah," the mastermind behind the 2004 murder and mutilation of our American contractors. In this no-holds-barred account, bestselling author Patrick Robinson reveals for the first time the entire story, from the night the SEALs stormed the al-Qaeda desert stronghold to the accusations and legal twists and turns that followed to the cut-and-thrust drama in the courtroom where the fate of three American heroes hung in the balance.

## Customer Reviews

Mr. Robinson and this publisher owe an apology to the Naval Special Operations Speaks Warfare

Community Review: SHAME on for deleting posts of our Veterans and Navy SEALs speaking the

TRUTH about this book and the facts in question. How many facts are wrong in this book?? This

book falsely portrays the scammer, Graham Ware, as a friend of Navy SEALs. Funny, this same

“advocate”™ is currently being investigated for trying to murder the families of Navy SEALs.

Graham Ware of Scottsdale, AZ (falsely portrayed in the book as our “supporter”) was exposed

by Navy SEALs in July 2012, running a scam called SupportTheSeals. The Navy SEALs who

exposed Graham Ware include prominent Navy SEALs: Marcus Luttrell (“Lone Survivor”), Don

Shipley (Extreme SEALs Experience), CAPT Larry Bailey (Special Operations Speaks), and other

highly decorated Navy SEALs. They issued a Cease and Desist letter to Ware and his organization. In retaliation Graham Ware deliberately transferred secure information to the enemy, leading terrorists to our homes. He even went as far as pretending to be Marcus Luttrell on twitter, making false claims that Marcus was/is his friend. FALSE. Robinson writes that Graham Ware was a "potential" for Special Forces. Laughable! Nothing could be further from the truth! We don't accept scammers and terrorist helpers into our ranks. And we don't accept posers either | Stolen Valor is not taken lightly in our Brotherhood. Why would the book fail to mention Graham Ware was running fake Navy SEALs Accounts on Facebook and Twitter? Why did the Mom of our fallen teammate (first Navy SEAL lost in Iraq) have to hire an attorney to keep Ware from stalking her and her charity?
